### REMARKS

Claims 1-63 are pending in this application. Claims 1-31 are withdrawn from consideration as being drawn to a non-elected group. Claims 34-36 and 39 have been canceled. Claims 32, 33, 37, 38 and 40-63 are rejected.

Responsive to the rejection of claims 32, 33, 37, 38 and 40-63 under 35 U.S.C. § 112 as being indefinite, Applicants have amended Fig. 3 keeping in mind the comments of the Examiner. Responsive particularly to the comments by the Examiner relative to guide panels 54 and side walls 56, Applicants respectfully submit that guide panels 54 and side walls 56 are related as assembly and subassembly, respectively, i.e., side wall 56 is a part of guide panel 54 which also includes a bottom panel (not numbered).

For all of the foregoing reasons, Applicants submit that claim 32, and claims 33, 37, 38 and 40-63 depending therefrom, are now in condition for allowance, which is hereby respectfully requested

For the foregoing reasons, Applicants submit that claims 32, and claims 33, 37, 38 and 40-63 are definite and do particularly point out and distinctly claim the subject matter which Applicants regard as the invention. Therefore, the pending claims are in condition for allowance, and Applicants respectfully request withdrawal of all rejections and allowance of the claims.

In the event Applicants have overlooked the need for an extension of time, an additional extension of time, payment of fee, or additional payment of fee, Applicants hereby conditionally petition therefor and authorizes that any charges be made to Deposit Account No. 20-0095, TAYLOR & AUST, P.C.
